

# STATE, DONS CLASH TONIGHT

## Meet Gaels Tomorrow and Take On Spartans Tuesday

Golden Tide Is Favored in Game of the Week; Kezar Site of Fracas

By GEORGE NEWELL

The Golden Tide's "tough" weekend will culminate Saturday night when they face an in-and-out St. Mary's varsity at Kezar pavilion. The galloping Gaels have slowed down to a fast trot lately, dropping games to relatively weak Santa Barbara State and Loyola. State drubbed the Gauchos, 23-11 in a 20-minute contest at the recent San Jose Cage Clinic.

Tomorrow night, the Saints will rely on their 6-foot, 9-inch center, Bill "Elevator" Livingston, to stop Bill Callas, stringbean Gator pivot man, and any down-the-middle stuff that Coach Dan Farmer plans. Up ahead of Livingston will be two high scoring forwards, Bill Burke and Frank Kudelka. The guard posts are ably handled by two ex-footballers, Paul Crowe and Jack Rial.

Ready to run the Gaels right off the court with a fast break will be tricky Mel Martin and ace scorer Johnny Burton at forwards, Bill Callas at center and Captain Norm Keller and longshot artist Al Rossi at guards. The Gators are favored to win on their season's record.

Ed. Note.—NEW Student Body cards are required for both weekend contests to gain admission.

## Fall Athletics

### Past Semester Reviewed By Gator Sports Staff

Following is a recapitulation of San Francisco State's fall term record in intercollegiate athletic competition:

#### FOOTBALL

Head Grid Coach Dick Boyle, flanked by Line Coaches Ray Kaufman and George Poppin, led his eleven through a three-win, three-loss record.

Guido DeGhetaldi coached the jayvee gridsters through a one-win, one-tie, three-loss campaign.

#### SOCCER

State's soccer squad, tutored by Jerry Kenny and led by Center Forward Al Vladimiroff, garnered second place in the Northern California Intercollegiate Soccer Conference.

#### BASKETBALL

Dan Farmer's charges have chalked up a second place in the San Jose cage clinic and have won 19 out of 15 engagements. Two victories have been registered over Cal Aggies, Chico and Moffett Field and one each from Borlo, French A. C., Golden Gate A. C. and the Mare Island Apprentices.

The junior varsity and freshmen hoop teams are coached by Allen Bell and Jim Witt, respectively. Each club is in the midst of a successful season.

#### VOLLEYBALL

Coach James Malloy led his outfit through a hapless season, winning one in eight matches.

The first intercollegiate volleyball contest in the country was held between State and California on December 17, 1946, the latter winning in set scores, 15-9, 15-6 and 15-3.

#### WRESTLING

In the "raslin" outing with the San Jose Spartans several weeks past, the Gators lost seven straight decisions. In a later battle with the Olympic Club, Jerry Friedman and Izzie Pivnick won decisive tri-

(Continued on Page 4)

#### SECOND MEETING

San Francisco and San Jose State quintets collide for the second time this season next Tuesday night, February 11, in the latter's home gym.

In the first meeting the Spartans edged the Gators in a 46-43 overtime thriller.

In addition to capturing the State College tournament at San Jose, the Spartans have won 16 of their past 20 games.

Battle at Kezar This Evening Considered a Toss-up; J.V.s Vie in Opener

By JOE HEATH

Out for its 17th win in 22 starts, San Francisco State's fast breaking Gators collide with the University of San Francisco Dons in Kezar's pavilion at 8 p.m. tonight in a contest that is rated a tossup. This battle will mark the first time that the Gators and Dons have ever met in a regularly scheduled cage game.

It will also be the first of a two-night home stand in the Stanyan Street portals; the Staters tangling with the Galloping Gaels tomorrow eve.

The Dons feature two consistent high scoring forwards in Abe Rodriguez and Ross Giudice. The pair boast a 10 point plus average per game. Third top point maker on the club is center, Jack McNamée. The guard stations are manned by Bill Gibson and Jack Hanley.

Coach Dan Farmer will counter with John Burton and Mel Martin, twin speedsters at the forwards, Al Rossi and Norm Keller, ace backboard controllers at the guards and Bill Callas, hook shot expert, at center.

CASABA CONFERENCE.—Planning to stymie the Dons' attack in the big game tonight are Bill Callas, center; Jack Byrne, second string guard; Coach Dan Farmer; Mel Martin, forward; and Norm Keller, guard.

#### GATOR SCORING

Name & Pos.	T.P.	Games Av.
Burton, John—F.	220	17 13
Martin, Mel—F.	92	17 13

Opponents 801  
Points per game average—54.  
\*Example—Martin has 5 point plus average per game.  
Games up to and including Chico series.

#### DOUBLE WIN

### Gator Hoop Artists Beat Aggies Twice

DAVIS, Cal., Jan. 17.—Paced by Forwards John Burton and Mel Martin, each hitting 18 and 11 digits, respectively, San Francisco State's cagers decimated the Cal Aggies at Davis 60-51 before a crowd of 2500.

State enjoyed a 30-16 half time lead but were forced to stave off a last minute threat by the Mustangs in order to win.

High pointers for the evening were Don Gale of the Aggies with 20, and the aforementioned Burton with 18.

KEZAR PAVILION, Jan. 18.—Dan Farmer's charges captured its second straight win over the Cal Aggies by defeating the latter 66-46 at Kezar Pavilion to climax a two-game home and home series.

High scorers for State were John Burton with 13, and Dick Jaensch with 10. Mike Schaffer garnered 15 for the losers.

#### ROAD TRIP

### Pacific Five Routs State Quintet, 70-50

STOCKTON, Cal., Jan. 25.—Led by 'til Hank Pfister, diminutive forward, the College of Pacific Tigers outsped and outshot the fast-breaking San Francisco State quintet, 70-50, before 1000 rooters at the C. O. P. gym.

State was in the ball game in the first quarter only, holding a 16-15 lead at the culmination of that canto. However, Pacific's Hank Pfister and Al Levy sank a series of 30-footers and at the half the Tigers boasted a 36-25 bulge.

No sooner had the second half started, Captain Norm Keller fouled out. The Gator team literally fell to pieces and the Pacific sharpshooters continued where they had left off in the initial half, sinking three-fourths of every shot attempted.

Outstanding in the contest in addition to Pfister was State's center, Bill Callas. Each tied for high point honors with 16.

#### CLEAN SWEEP

### State Cagers Take Two From Wildcats

KEZAR, Jan. 31.—Completely dominating every phase of play, San Francisco State's maplewood blistersers shellacked Chico's Wildcats, 58-38, in the first of a two-game series.

The Gators grabbed a 25-19 half-time edge but clinched the verdict in the second stanza when each member of the starting five starred individually. John Burton, Bill Callas and Norm Keller tanked 38 points among them; Mel Martin continued his crowd pleasing tactics with uncanny faking and passing, and Al Rossi constantly out-rebounded the Wildcats.

KEZAR, Feb. 1.—State's hardwood burners made a clean sweep of the two-game series by taming the Wildcats to the tune of 48-35 in the second encounter.

Keller was high pointer for the locals with 14, followed by Al Rossi and John Burton with 11 and 10.

## Swimming, Track, Baseball Start Soon

#### TRACK

Not since the days of Jim Keating and Runar Stone has San Francisco State had as powerful a track aggregation as that which is taking to the cinders this spring.

Heading the list of returnees is John Sheppard, outstanding hurdler and high point scorer last track season. Others include Jack Sanford, jumper; Hank Watty, distance; Carter Toler and Hal Fox, sprints; Jack Byrne and Don Oakes, middle distance; Lee Upshur, pole vaulter; John Holden, marathon; Jack Root, discus and shot; and Bill Holland, javelin.

Coach Ray Kaufman is holding full time practice at the new campus now.

#### Spring Athletics

"Men planning to go out for baseball or track during the spring semester should not schedule their classes after 3 p.m., and preferably not after 2 p.m.," announced baseball and track coaches Hal Harden and Ray Kaufman, respectively.

The previous statement is based upon the extensive traveling time required to reach the new campus, plus the fact that many games and meets are held in the early afternoon.

#### SWIMMING

Returning to the water-splashing crew this winter is Bogo Keller, middle distance great of by-

gone years. Rounding out the deep-sea performers are Bill Autrey and Rogers Scovil in the sprints. Fernando Costello specializes in the middle distance. Dick Wind works on the backstroke and sprints and Bob Siler is the expert diver.

Swimming Coach Hal Harden has announced that more men are wanted for all events. Practice is being held now at the Central Y. M. C. A.

#### BASEBALL

Hal Harden, baseball coach, has announced that most of last year's veterans are returning plus other outstanding new stars. Among those that will cavort on the diamond this spring are hurlers Jim Keating, Gene Cox and Irv Edstrom; receivers, Milt Reiterman,

## Seek 11 and 12

### Li'l Hoopmen Face Hard Week-end Schedule

Boasting a record of 10 wins in 14 starts, San Francisco State jayvees tangle with the mighty Green and Gold of U. S. F. tonight at 6:30 in the preliminary game to the varsity tussle at Kezar pavilion.

Led by Pat Murphy and Dick Ahrling, the play boys managed to grab three victories while dropping a duo in their recent engagements.

At Davis, the Purple and Gold turned a nine point half time deficit into a 40-37 victory. The following night on its own courts, the Gators trailed at the intermission but managed to eke out a 46-44 triumph.

Seeking to gain revenge for an early season pasting the Buchanan stalwarts played their best game of the season in dropping a close decision to the highly touted Joe's Club, 50-45. Gino Bava nailed 22 for the clubbers.

The lads go after their 11th and 12th wins this weekend at Kezar pavilion. Tomorrow night the jayvees encounter the San Benito J. C. five.

Mel Martin, Stu Saunders, Ed Keiper and Len Canavan; infielders, Pete Cuddyre, Herb Bill, Chuck Damonte, John Nicholani and Ray Enjaian; outfielders, Mike Macoulis, Armand Quartini and George Albrecht.

## Editorial

### State College Growth Rapid; Students Must Push to Goal

Students enrolled in San Francisco State College at the present time have the opportunity to grow with an institution of higher learning which is well on its way to achieving a goal hitherto unattained by State colleges.

The "broken-down" buildings on the hill are fast becoming known as San Francisco's own State College, rather than the "old teachers' college" of the past era. Since the arrival of President J. Paul Leonard, State has stopped gazing dimly toward a distant future and has lived and acted for the present.

#### FACULTY AND CURRICULA INCREASED

A larger and distinguished faculty, a wider range of curricula, a more varied social program—all these are indications that State College is moving on. During the past few weeks married veterans have moved into housing units at the new campus—a campus which will be the site of the "new" State College. A vocational guidance center has been established and an alumni association has been organized. State is moving ahead.

The drama and music departments of the college are becoming well known throughout the Bay Area and the physical education department has produced a winning ball team. The college has developed a complete health center where students may receive medical care and advice. Active campus clubs and fraternities provide social recreation and opportunities for intellectual development to students.

#### GROW WITH STATE

State is giving you, the student, the chance to grow with her, but she cannot continue to grow without your help. Become a booster for State—a student who ignores the inadequacies of an old campus, the congested conditions of an overcrowded school and the now disappearing cry of "San Francisco State College? Never heard of it!"

Publicize State in its own right. Don't "advertise" its faults. The college administration and student officers are open to suggestions for continued improvement, but the general public does not understand student "gripes." The public must be shown that State is moving on.

State welcomes you new students. Become a booster for State—grow with a growing college.

## Voluntary Orientation Course Begins; Deans Ward, Cornehlson Instruct

Orientation courses with attendance voluntary will be initiated this semester, according to an announcement released from Dean Mary A. Ward's office recently.

Purpose of this new series is to give the student and overall view of the college, to help him adjust to college standards and regulations, to aid him in selecting a field of major interest and to present ways of improving his study techniques.

The first four lectures in the series of nine will include "Getting Acquainted," "Success in College," "The Efficient Student" and "Where Are You Going?" The last five lectures will feature panel discussions by faculty members of the various departmental divisions who will list opportunities for majors and minors in different fields of study.

Both sections of the orientation course will meet in the Frederic Burk Auditorium during the 11 o'clock hour. The Monday section will be directed by Dean Ward and the Wednesday section by Dean John Cornehlson. All incoming students should prepare to attend these lectures. No credit is given for the course.

Individual conferences for students who have problems relating to the topics discussed at these meetings will be arranged.

#### More On Fall Athletics

(Continued from Page 3)  
umphs. Bert Gustafson is the wrestling instructor.

#### BOXING

To date, the left-jab artists have vied with California twice in practice matches, losing a 5-4 decision in the first encounter and punching to a 5-5 deadlock in the last meeting.

### Ski Trainees Climax Outing Today

Arriving home today from a week-long stay at Kiski Lodge in Norden, Calif., are 17 students who have taken the skiing course offered by the Physical Education department under the direction of Miss Doris Holtz.

The skiers were guests of Bill Klein, skiing expert and former Army ski trooper. They left early last Sunday morning for the snow after a semester of practice and exercising. This preparation began during the fall semester when they met once a week to study the fundamentals of skiing and see numerous movies of expert skiers. Later they practiced with their skis on the sand dunes near the new campus and in the last few weeks they have been exercising the muscles used in skiing.

Among the student skiers were Bill Bauermann, William Campbell, Virginia Danielson, Nanette DeMarais, Beth Fabry, June Granz, Morris Halperin, Elizabeth Hinz, Anne Linderman, Aileen O'Hare, Shirley Perry, Miriam Prosser, Bessie Provost, Emil Riemer, Lene Struckmeyer, Mary Tisohler and Horeen Willmer. They were accompanied by Miss Bethel Clark and Mrs. Alma Downey.

## College, City Events Scheduled in New Activities Calendar

There's something to do every day of next term! You can find out exactly what, when and where in the new activities calendar, put out by the office of Dean Mary Ward, which will be available early next week.

Something totally new in State history, the calendar is a compilation of all on- and off-campus college activities scheduled for the spring term and includes a survey of outstanding community events in art, music and lectures.

Among the new and interesting activities on the schedule are two local musical events featuring former State students. Florence Quartararo will sing at an Art Commission Concert in the Civic Auditorium on Saturday evening, March 8. Barbara Jeanne Yocum, also a State alumna, will sing at a Gainsborough Foundation Debut Recital on Thursday evening, March 20.

Another new addition to campus events will be a semi-monthly faculty concert to be presented every other Tuesday from 1 to 2 p.m. in the Activities room. Calculated to present the faculty to the students as artists and performers instead of hard-hearted instructors, these concerts will include musical and dramatic performances by various members of the faculty.

Publication of this material is made possible through student body funds.

### Gater Staff Meets Wednesday Noon

Aspiring journalists interested in writing for college publications can sign up at a general Golden Gater staff meeting next Wednesday, February 12, at noon in the publications office, hut 4.

The Golden Gater, college newspaper, published every Friday of the semester by the Associated Students under the supervision of the Board of Publications, has positions open for feature and sports writers, regular news reporters and cartoonists. All students enrolled in journalism classes must attend the Wednesday meeting.

Other college publications include the Franciscan, college yearbook published every June, and Inklings, State's literary magazine, published twice a semester. Editors of the various publications include Doris Thulin, editor of the Golden Gater; Etta Bucholtz, Franciscan editor; and Eugene Benefiel, Inklings editor.

Further information may be obtained from the various editors in the publications office.

### Boxers Invade Nevada; Rasslers Take On Farm

For the first time in the history of the school, San Francisco State pugilists will trade punches with the University of Nevada. Tomorrow afternoon, Coach Lee Alderman's right-cross artists entrain for Reno to collide Sunday, February 9, with the leather swinging Wolfpack.

Making the trip in addition to Alderman are boxers Jack Campbell, Ed Melendez, Bob Tiner, John Upshur, John Wallace, Marty Adler, Nate Sterentel and Don Oakes.

Meanwhile, State's canvas crowdies match wits with the Stanford matmen down on the Farm Monday evening, February 10. Among Coach Bert Gustafson's erstwhile wrestlers making the trek are Izzie Pivnick, Jerry Friedman, Bob Newhaus, Cliff Gray and Paul Caintic.

## Seven-Division Plan Heads Administrative Program

The administrative program of the college, initiated by President J. Paul Leonard, is based on a seven-point plan. Under these divisions are placed the various subject fields.

Three instructional deans are working in close co-ordination with President Leonard. Dean P. F. Valentine, as Dean of General Education, is responsible for directing the planning of all curricula, courses and schedules for courses in general education and those of a non-professional character.

#### BUTLER DIRECTS PLANNING

Dean John H. Butler, Dean of Professional Education, has the responsibility of directing the planning of all curricula, courses and schedules for courses in professional education and for extension. As Dean of Student Personnel and Guidance, Dean Walter J. Homan is responsible for directing work in guidance and counseling, testing, admission and placement, and will consolidate the offices of placement, registrar, dean of men, dean of women and counseling.

Dean Mary A. Ward, dean of women, offers assistance to all women of the college, whether it be concerning scholastic adjustments, lodging, positions or other personal problems. Dean John Cornehlson, dean of men, is the adviser for men students, who may call upon him for information and guidance regarding collegiate situations or individual difficulties.

#### SUPERVISES TEACHERS

Mr. Sherman L. Brown is the Director of Teacher Training. Practice teachers are under his supervision. Mrs. Grace Carter Leathurby is the principal of Frederic

### Unit Credit Given! Foozled Veterans

(Continued from Page 1)

cal test devised to the returned vets, who by taking them at the college, will be saving themselves from \$50 to \$150 they would pay on the outside.

Dean Cornehlson also announced the other members of the Guidance Center's board. They are Miss Alice Breslow, formerly senior psychologist of the San Francisco Juvenile Court, and Mr. Donald Campbell, National Research Science Council Fellowship holder at the University of California.

Another member of the board, Mr. Stanley Osgood, did extensive work in anti- and pro-submarine research for the National Defense Research Council.

#### VETS SCHEDULE

The center will boast a full-time executive secretary in Miss Elsa McKenny, who will be in charge of scheduling appointments for interested veterans. The tests to be taken by the vets will be determined by their individual cases.

The Guidance Center's offices will be located in Room 119, College Hall, the former Student Body office.

### More on Vet Status

(Continued from Page 1)

to the San Francisco area office.

5. All new vets attending this school under the G. I. Bill must submit Form No. 7-1950 and copy of discharge at registration. The form may be obtained from the training officer and should be completed before registration if possible. Forms for compensation for productive labor will be issued at registration.

6. All vets are responsible for any notices or forms placed in the college paper, or on the veterans' bulletin board opposite the training officer's office in Room 119-C, College Hall, after registration.

Burk, the training school on campus for practice teachers.

Director of Extension is Mr. William Cowan. He handles all courses given in extension work which is for the convenience of teachers in service and all others interested.

#### RECORDS FILED

To Miss Florence Vance is assigned the duty of Registrar. In her office are filed personal records of all students. She and her staff handle the reports which are sent to students at the mid-term and final periods. Comptroller Leo C. Nee takes care of the receipts and disbursements of the college.

Students who desire positions while in school or upon graduation may apply to Mrs. Alma Downey, placement secretary, at the Placement Office.

#### COUNSELORS MUST APPROVE

Mrs. Eva C. Hodgson and Mrs. Marcia Peterson are the general counselors. Each semester they must approve and sign the program cards of all students not under special counselors.

Three libraries are maintained on the campus: the college library in College Hall; the music library, in the "Alley," in Annex B; and the elementary school library, in the Frederic Burk building. Librarian and head of the library staff is Miss Ruth Fleming.

#### SEVEN-POINT PLAN

Under Dr. Leonard's plan the college is divided into the following seven classifications:

1. Social Science, which includes sociology, geography, history, government, commerce and economics.
2. Natural Sciences, consisting of physical sciences, biological sciences, hygiene, and mathematics.
3. Humanities, under which will come literature, foreign language, philosophy and humanities.
4. Creative arts, composed of music, fine arts, drama and radio, and industrial arts.
5. Education, including education, psychology, home economics and visual education.
6. Language arts, which are made up of English composition, penmanship, speech, and journalism.
7. Health, Physical Education, Recreation, consisting of men's physical education, women's physical education, recreation, and health service.

#### HEADS APPOINTED

Appointed heads of these departments are Mr. R. Will Burnett, Natural Sciences; Mr. William Knuth, Creative Arts; and Mr. David Cox, Health, Physical Education, Recreation. Acting chairmen appointed for one year include Mr. Floyd Cave, Social Science; Mr. Elias Arnesen, Humanities; Mr. John H. Butler, Education; and Mr. Hugh Baker, Language Arts.

The heads have these responsibilities:

1. Represent the Division in curriculum discussions with deans, committees, and other division heads.
2. Assist the deans in building faculty schedules and other programs.
3. Represent the division on advisory council.
4. Promote the work within the Division.

#### ADVISORY COMMITTEE CITED

The advisory committee of the college consists of the Dean of General Education, the Dean of Professional Education, the Dean of Student Personnel and Guidance, the chairmen of the seven divisions, the comptroller, the Dean of Men, the Dean of Women, the Registrar acting as secretary and the representative of the Association of California State College Instructors.
